Diploma Technology Management in Entrepreneurship

R3/0414/4/0413(12/2030) - MQA/FA0020

DIPLOMA TECHNOLOGY MANAGEMENT IN ENTREPRENEURSHIP

INTRODUCTION

The Diploma Technology Management in Entrepreneurship promotes a good foundation in technology management and entrepreneurial skills for students. The comprehensive business management curriculum prepares students with problem-solving skills and managerial competency in the field of technology management. Throughout the programme, students will be able to evaluate the benefits of emerging technologies and apply them strategically in the business environment to improve core business performance. Students will also be able to decide their goals - whether to change or advance their career or build their own business in the future.
