# Undergraduate 2026/2027 session

# DIPLOMA IN DIGITAL GRAPHIC DESIGN

## INTRODUCTION

The Diploma in Digital Graphic Design offers a comprehensive education in art, design, and media skills, including graphic design, photography, drawing, printmaking, printing, audio and video production, illustration, animation, and web design. Students will work with a variety of materials and techniques, both traditional and digital, using software such as Photoshop, Illustrator, InDesign, Flash, and 3D Max. The program includes exposure to the work of designers, artists, and media practitioners, with opportunities for field trips to conduct primary research and inspire the development of new ideas.
