MASTER OF BUSINESS ADMINISTRATION

Introduction

The Master of Business Administration is a comprehensive coursework-based programme designed to develop well-rounded business professionals with strong analytical, strategic, and leadership capabilities. Through a carefully structured curriculum covering core areas such as finance, marketing, human resource management, managerial economics, entrepreneurship, and business technology, the programme equips students with the tools needed to navigate dynamic business environments. Emphasis is also placed on business analytics, contemporary business issues, and applied research, preparing graduates to make data-informed decisions, drive innovation, and lead organisational growth across industries.
